# Occupational Therapy and Physiotherapy Equipment

## ALLIED HEALTH STORE

Braemar Campus  
Motueka Street  
Private Bag 18  
Nelson  
Phone 546 1394  
Fax 546 1048

Nelson Marlborough  
District Health Board

- Physiotherapy and Occupational Therapy equipment is issued following a referral to the service.
- Equipment is issued to clients following an assessment by clinicians/therapists who identify what is needed.
- Clinicians/therapists will issue equipment appropriate to meet the clients need.
- The clinician will either suggest that equipment be collected from the store, or staff may deliver and set up.

- All DHB owned equipment is issued for short term use – usually up to 3 months and must then be returned to the DHB, or sooner if a client no longer has a need for the equipment.
- We encourage clients to return the equipment to the store if able, but can collect if necessary.
- The store is open Monday to Friday 8.30am to 4.30pm, see map on next page for directions to Allied Health Store on Braemar Campus.
- MOH funded equipment is issued as above – however clients are provided with written documentation regarding Terms and Conditions of using the equipment and then sign a form agreeing to these terms. This is a long term loan arrangement.
