in summer.

For a full list of General Practices and Pharmacies go to:
marlboroughpho.org.nz

Healthline: Phone 0800 611 116 for free advice from
qualified nurses.

Wairau Hospital Emergency Department:

The Emergency Department (ED) is for emergencies.
If you go to the ED with a condition that is not an
emergency you will be helped to make an appointment
with a GP or asked to see the urgent after-hours GP.

**Did you know you can register for ACC at a
family doctor's practice? A GP can treat strains,
sprains and many other injuries and can refer
you for an x-ray if needed.**
