

Have fun making an origami paper cup

1.
Fold your paper in half. Crease
along line A—C.

2.
B should now rest on D.

3.
Place so folded side is nearest
you. Bring point A over to E.
(see figure 4).

4.
This is how your shape should look. Now fold
point C over to F.

5.
Fold flap B down. Crease along line F—E. Now
turn your shape over and fold down D. Crease
along line F—E. Open your cup by pressing in
sides F and E.
