Response to a request for official information

Thank you for your request for official information received 10 June 2021 by Nelson Marlborough Health (NMH)¹, where you seek the following information:

- 1. The number of scheduled COVID-19 vaccination appointments that were missed by people for each month to date in 2021.***

NMH response: This data is not collected in a form that enables extraction from the database however anecdotally, the leads of our Covid-19 vaccination clinics indicate very few people have missed their scheduled vaccination appointment.
